

Presented by Sarah Wang

# PracticeNest

Music Practice Reminder + Resource App

**WHY?**

# THESE MUSICIANS DON'T KNOW...

...what they're practicing,

...why they're practicing,

...or how they're practicing.

## OUR APP

# PracticeNest

PracticeNest: Where Practice Takes Flight!

# OUR MISSION

At PracticeNest, we believe that you shouldn't ever have to feel guilty for not practicing. That's why we're focused on developing an app that makes practicing fun, efficient, and accessible.

Intro

# KEY FEATURES

## Regular Reminders

Uphold a practice routine by sending regular notifications

## Social Platform

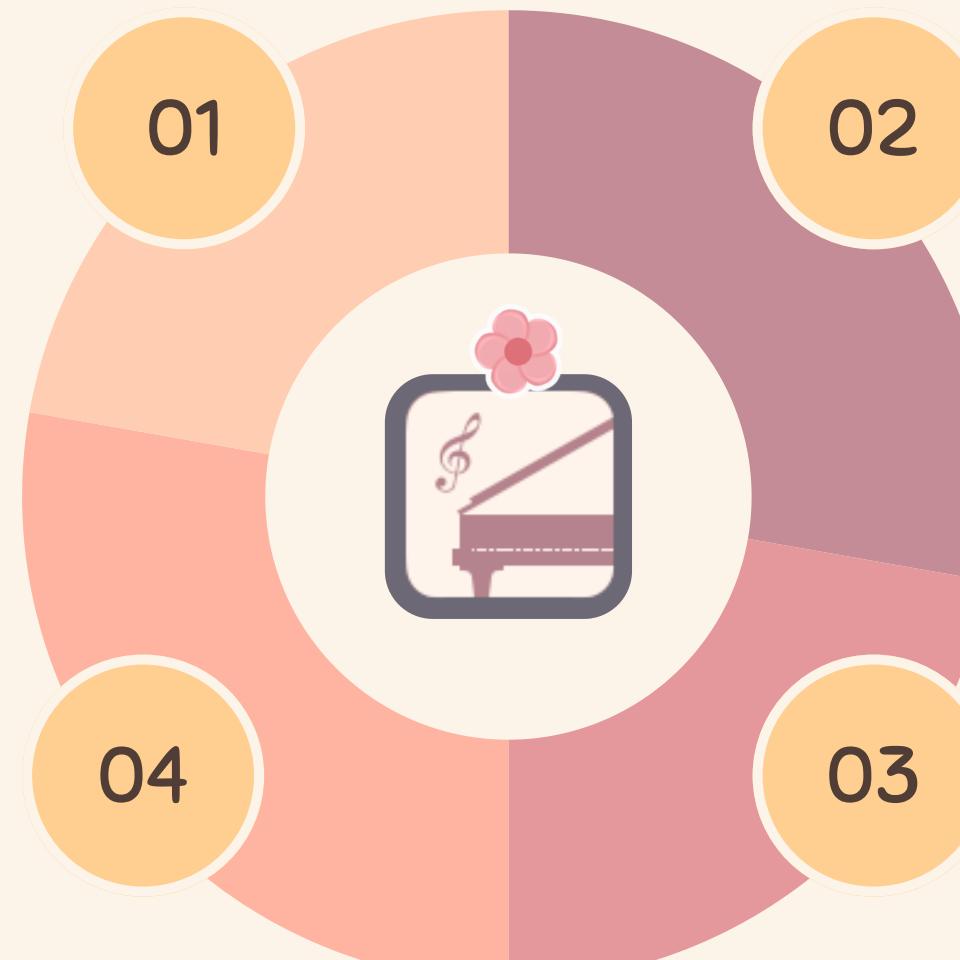

Users can share recordings of their practice sessions or create tutorial videos for others, gathering followers and reputation

## Goal Tracking

Let users create and complete goals every day

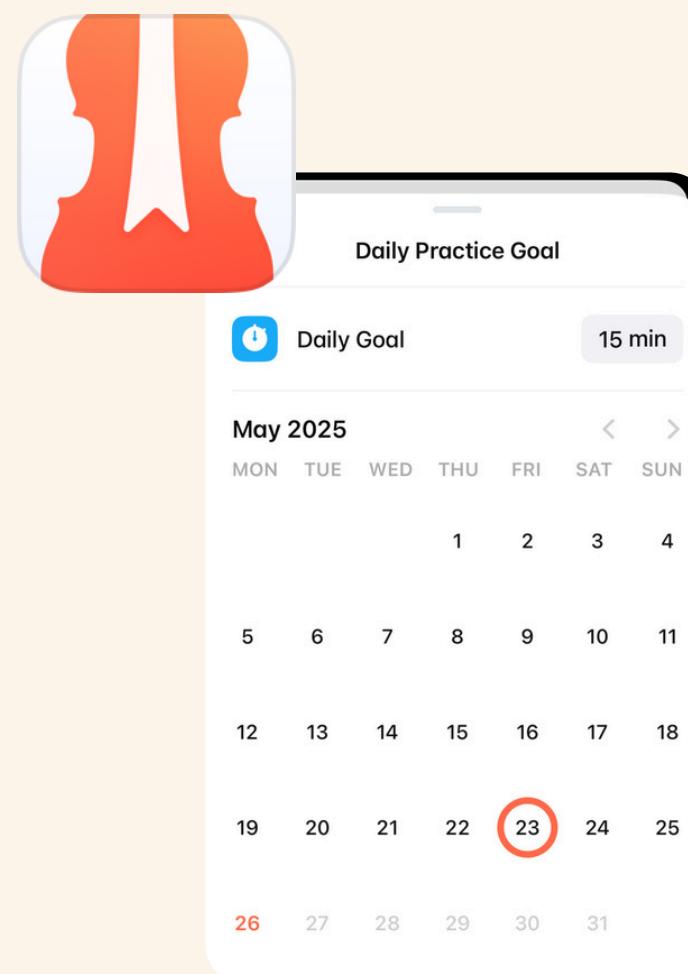

## Tools and Sheet Music

Users can easily access essential tools and search for classical sheet music

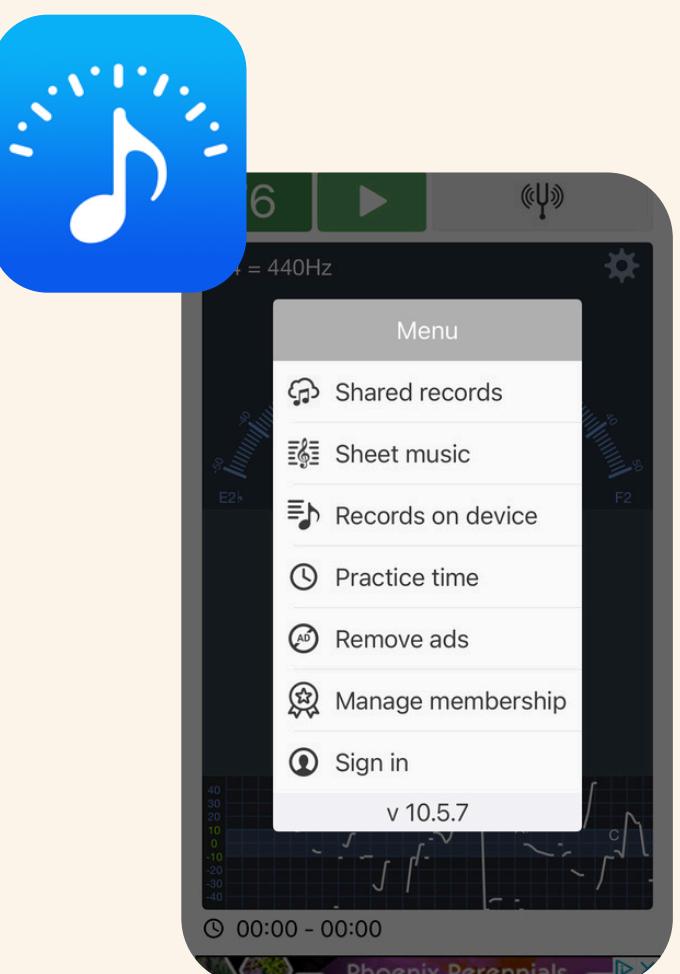

# KEYNOTE WIREFRAME

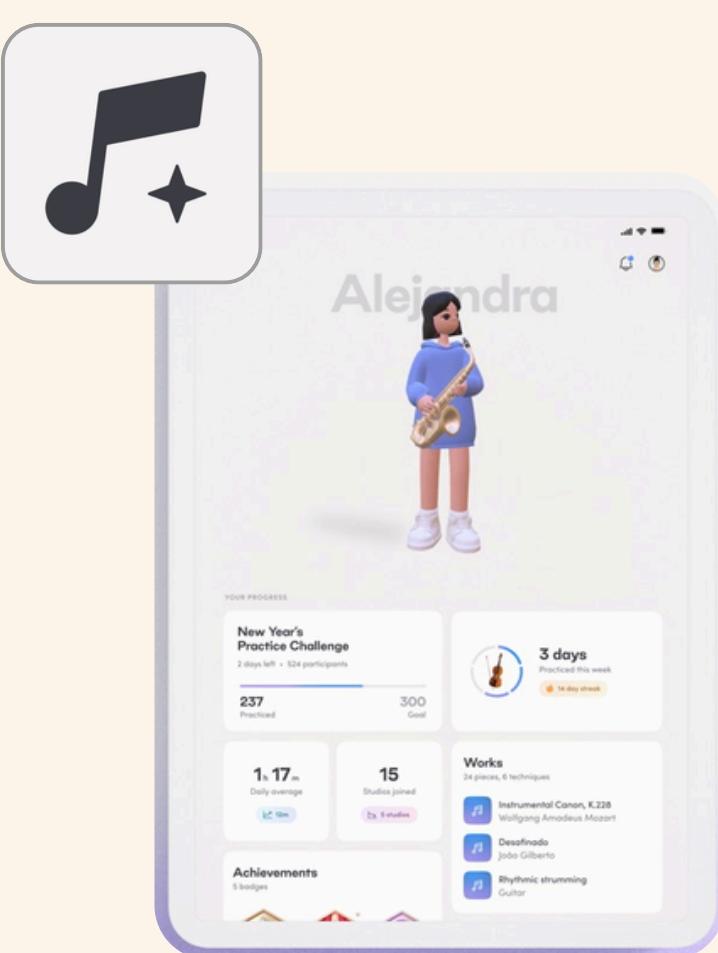

# OUR COMPETITION

Andante

Soundcorset

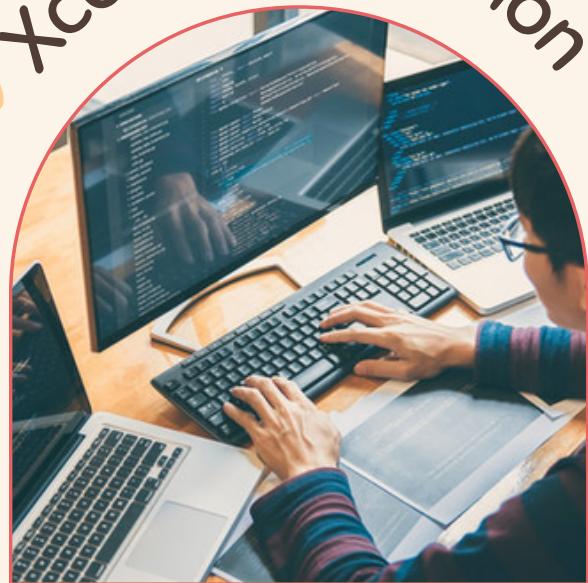

Tonic Music

# OUR FUTURE

Xcode Integration

Making our app come to life

Update UI

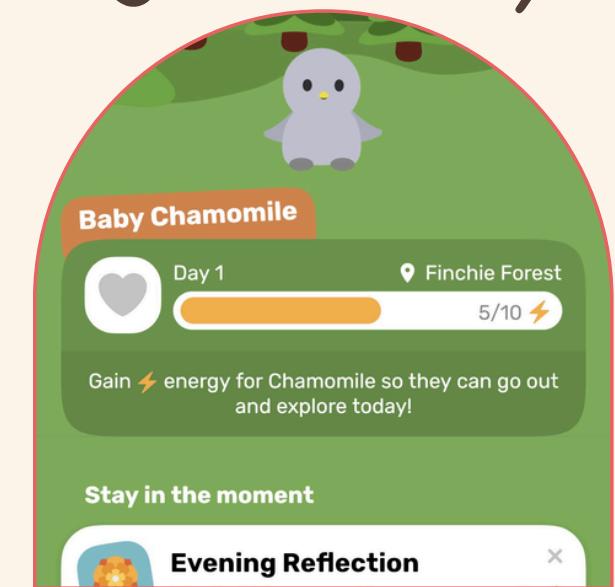

Improving older designs

Improve Music Finder

Collaborate with online databases like IMSLP

Gamification

Increasing engagement
